Sensational One of Kind Sonoma and Healdsburg Wine Trip

Pack your bags and prepare your palates for pinot in stunning Sonoma wine country!

Two lucky couples will wave their worries goodbye upon check-in for two nights at the charming Four Sisters Inn at Sonoma where you'll be treated to a full breakfast buffet and an afternoon of wine and hors d'oeuvres before enjoying four posh winery experiences. The sipping sojourn begins at Cline Cellars, once the site of a Miwok village, now the home of delectable Zins. Round out your Riedels in the intimate setting at Sojourn Cellars tasting room where you'll compare their portfolio of vineyard sites from the Sonoma Coast, Russian River, and Napa Valley appellations.

On your second day, head north to hang with the hipsters for a wine and food pairing at Banshee Wines – one of Healdsburg's trendiest new tasting rooms just off the square. Put the "I know" in pinot as you savor the signature varietal in a private tour and tasting at Alexander Valley Vineyards situated in the breathtaking Alexander Valley.

** Four Sisters voucher is valid Sunday through Thursday, November 1 through April 30, up to two years from original voucher purchase date. Voucher is based on availability and holidays and special event periods are excluded.*

**Insider's Trip to Napa Valley,
VIP Style**

Three lucky couples will sip and swirl their worries away on a two-night adventure of a lifetime in the stunning Napa Valley wine country. You'll stay at the historic Gabrielle Collection* estate and gardens built by Dupont Heiress and silent movie star Lenore Stern, and enjoy a VIP tour and private tasting of wines and culinary delights culled from this truly spectacular property. The journey continues to five sensational wineries beginning with a private tour and tasting at wildly decadent Raymond Vineyards in St. Helena owned by French wine family magnate Jean-Charles Boisset – where Las Vegas glitz meets Parisian glamour. Continue to Ma(i) sonry Napa Valley in Yountville – a collective tasting room, art and antiques gallery in an historic stone building – where you'll savor proprietary blends from Bespoke Collection in the outdoor sculpture garden. An agricultural adventure awaits at Tres Sabores, where owner Julie Johnson will guide around her rustic ranch as you learn about the "three flavors" of her wines. Savor the Cabernet at Caymus Vineyards where you'll sip 40 years of winemaking at this beloved estate in Atlas Peak. Finally, venture up valley for private tour and taste of exquisite Chardonnay and Cabernet at the Knights Bridge Estate and Winery situated below Mount St. Helena in Knights Valley. The question is...who will be your lucky guests?

* Charity donations may be booked Monday – Thursday ONLY. Cleaning fee of \$270 per stay will be charged to the winning bidder upon check-in. If weekends are desired, they are subject to availability and at an additional fee, to the winning bidder. Additional nights & accommodations will be billed at regular seasonal rates.
