

Hi California Wine Club,

My name is Heather Frank I am the Chair of CASA of Kern Country's 4th annual Wine Women & Shoes event. We were reaching out hoping that the California Wine Club might be willing to partner with us by donating wine for our Wall of Wine. The Wall of Wine consist of 100 donated bottles of wine that our guest purchase in a blind pull. This is a HUGE revenue source for us at our event and we are always grateful for the companies that are willing to partner and donate to us. We are hoping that the California Wine Club might be able to donate a few mixed cases or even a gift certificate we could use to purchase the wines from your site. I would love the opportunity to speak with you more about this opportunity and how much it would mean to our event.

Thank you and hope to speak soon,

Heather Frank
